

Coach Brunkhorst's Newsletter – Algebra, 6th Math, & Health

3rd Quarter – Week 7

ALL CLASSES:

Algebra:

This week we are completing Chapter 7 (Exponents & Exponential Functions). We will be covering exponential recursive formulas, reviewing, and taking our Chapter Assessment on Thursday. We will also take a Chapter 7 Vocabulary test on Friday. A list of the vocabulary words can be found in the Algebra 1 textbook on page 390.

6th Math:

We are completing Chapter 6 (Expressions), which involves an introduction into topics from Algebra. ☺ This week we are working on finding Equivalent Expressions and reviewing for our assessment. We will take our Chapter 6 Post-Test on Wednesday. On Thursday and/or Friday, we will be taking a MAP practice test to prepare for MAP testing.

6th Health:

This week we are completing our Stress Unit. Students will be working on creating their “Stress Buster” Videos using the school’s iPads.

7th/8th Health:

7th/8th grade will conclude our Stress Unit, which will include topics such as “Types & Causes of Stress”, “Depression,” “Stress Management”, and “Relaxation Techniques”. 8th grade will also be using part of their class time on Wednesday to vote on their class t-shirts.

VOLLEYBALL:

Tuesday: AWAY Game vs. Oak Hill – Girls Game 5:30 PM

Thursday: AWAY Green Forest Tournament – Girls play back to back in Pool Play starting at 7:30PM (starting times may run early)

Friday: AWAY Green Forest Tournament – Girls Seeded Bracket Play (TIMES TBA)

Girls have practice on Monday and Wednesday.
