

6th Grade Weekly Homework Websites:

2nd Quarter Week 5 (11/14/16-11/18/16) - Volume & Surface Area Unit

Monday Night:

We reviewed for our Area/Volume Test on Study Island.

Tuesday Night:

We took our Area/Volume Test on Study Island today, so no class assignment.

Volume of Triangular Prisms

<http://ninenet.pbslearningmedia.org/resource/mkcpt.math.g.triangularprism/finding-the-volume-of-a-triangular-prism/>

Wednesday Night:

Surface Area of Quadrilaterals

<http://ninenet.pbslearningmedia.org/resource/mkcpt.math.g.quadrilateral.faces/prisms-with-quadrilateral-faces/>

Thursday Night:

We are completing a hands-on surface area activity in class, so there shouldn't be an assignment to complete tonight.

Friday/Weekend Homework:
