**Thank You**

I wanted to thank all of the parents who helped with our class basket. We had an amazing basket for the carnival. We were very close to winning the ice cream party. We would not have done it without your help.

I know school is almost over, but we still have assessments and benchmark tests to take next week. While we will be having some fun activities, please encourage your child to still work hard and do their best!

We will have weekly sight words. It is important that you work with your child at home to recognize and write these words.
