## \* Mr. Davidson \*

- **Math 6**  
We will learn how to write algebraic expressions and look at various algebra properties.
- **Math 7**  
We will continue simplifying expressions and then look at how to add and subtract expressions.
- **Math 8**  
We will have a mid-chapter check and then begin working with the Pythagorean Theorem.

*As always, please remember to be respectful, responsible, and safe! 😊*

**POSITIVE ATTITUDE + HARD WORK = ACHIEVEMENT!**

### Upcoming Events:

### Reminders to Parents

Visit our Facebook page Phelps County Cardinals Athletics for more sports news!

Feel free to contact me with any questions and thanks for sharing your children with me! 😊

Our job is to teach the students we have.  
Not the ones we would like to have.  
Not the ones we used to have.  
Those we have right now.  
All of them.

Dr. Kevin Maxwell
