

6th Grade Weekly Homework Websites:

Week 5 ***UPDATED*** (9/19/16-9/23/16) - Chapter 4

Monday Night:

<http://optv.pbslearningmedia.org/resource/mgbh.math.nf.divfrac/dividing-a-whole-number-by-a-unit-fraction/>

<https://www.sophia.org/tutorials/dividing-whole-numbers-by-fractions--6>

Tuesday Night:

<http://mathantics.com/index.php/section/lesson/DividingFractions>

Wednesday Night:

<https://www.youtube.com/watch?v=uMTqaEbXQ6k>

Thursday Night:

Complete Simplifying Fractions Worksheet pg. 33 (I need to be able to read your answers, even after you color it!)

Friday Night/Weekend:

Complete the Mixed Numbers/Improper Fractions Worksheet (front and back) if not completed in class.

Also, you can review previously posted videos over the weekend, and review the video we watched in class today: Improper Fractions & Mixed Numbers <https://www.youtube.com/watch?v=ggYdPef3Nuk>
