<p>Valentine's Day Please help your child make a Valentine's Day card at home. The cards for completed cards are school no later than the morning of 2/24. We have the students put them on their desks and parents send them to the students in the morning. Each child also sends in a Valentine's Day card to send out to the entire class. Please print your child's name on them. They will be distributed during their 1st recess. Again, they will be done that morning. If home or attending your funeral you are wanting to send a fun party please let me know. Otherwise, I will be sending reports home closer to time.</p>	<p>Character trait for November: Student of the Month  Ella</p>
