August 16, 2017

Dear Parents,

Welcome to Phelps County R-III (PCR3) school district! PCR3 will Rock-N-Roll through the 2017-2018 school year. Rock N Roll is our theme for the year. We'll have several fun activities centered around this theme. In any partnership, it is important that we work together and communicate often. We need your help and assistance in getting your child to school so that they can learn.

We have a wonderful school, a great team of teachers, an awesome staff and the best students in the state. Our teachers are wonderful. We have three new teachers this year. The staff members have worked many hours getting the school ready for opening day. We have lots of changes and are looking forward to the best year ever!

Our website has a wealth of information, please visit it often. The teachers will update their pages weekly, post pictures of activities, and provide information for parents (information will be sent home as well.). Please check us out: [www.pcr3.k12.mo.us](http://www.pcr3.k12.mo.us). You'll also find information about the school, policies, a running calendar of events, and other pertinent information on the calendar and website.

We the staff, at PCR3 are striving to be the *best little rural school in the state*. Welcome back to school! We are all looking forward to a wonderful year filled with fun and learning here at PCR3. We invite you to be a part of that process, too. Watch those backpacks for fliers announcing upcoming events.

Sincerely,

John Fluhrer  
Superintendent

## PBiS

Phelps County R-III is a PBS School! We are working to be the best!

BE RESPECTFUL

BE RESPONSIBLE

BE SAFE

PBS Universals ("Big 3) remind us of the expectation of good behavior. These behaviors will be taught to each student in each school setting (hallway, cafeteria, bus, playground, assembly, classrooms, etc.). This way the students have formal training in the expectations for all locations in the school. Encourage your child to tell you about all they are learning. We want to have a positive year with GREAT behavior!

WANTED:  
STUDENTS WITH GOOD CHARACTER

CARDINAL CHARACTER COUNTS!

Students exhibiting good character will be rewarded with tickets. All staff members will be watching for students each month that are exhibiting good character responsibilities. "I'm a Cardinal Character!" awards will be given out monthly through teacher nominations! Pictures will be posted on the bulletin board for those students, too!

### RECOGNITION

Students are recognized for A/B and A Honor Roll by State Representative Robert Ross. They are also recognized at monthly assemblies.

Students with good attendance are also recognized at assemblies.

## **GRADE EVALUATION**

Section 1. Report Card – Every pupil shall receive a report card four (4) times per year. A “warning notice” shall be sent to the parents during mid-quarter when it appears the student is NOT doing satisfactory work. Notes or phone calls from the teachers will also inform parents of students work if necessary.

Section 2. Parent Conference. Parent conferences will be held at the end of first and third quarters school wide. Report cards will be issued during conferences. Appointments will be made for a specific time when the parents can meet with the teacher to discuss the progress of their child/children. Parent Teacher Conferences are scheduled after school on October and on March.

Section 3. It shall be the duty of the Superintendent to notify the parent whenever the pupil is doing such work as in the judgment of the Superintendent or teacher, will endanger the pupil’s promotion.

Section 4. Teachers shall use the following grading system:

|            |            |
|------------|------------|
| 100-95 = A | 76-74 = C  |
| 94-90 = A- | 73-70 = C- |
| 89-97 = B+ | 69-67 = D+ |
| 86-85 = B  | 66-64 = D  |
| 84-80 = B- | 63-60 = D- |
| 79-77 = C+ | 59-0 = F   |

Section 5. Honor Roll - The honor roll is figured on a point system. An A will be equal to 4 points, a B 3 points, a C 2 points, and a D is 1 point. An F will have no points.

During the 2017-2018 school year, a new report card will be utilized to explain each child’s level of performance. Students will receive a letter grade for the subject. Also, they will receive a level of mastery for each required standard.

## **RULES AND REGULATIONS ON DISCIPLINE**

Teachers must have the right to teach their students in an orderly, respectful, and safe manner. Classroom rules will be followed by all children. The following is a list of rules that will encompass many of the general rules regarding good behavior here at school.

1. Be Respectful, Be Responsible, Be Safe
2. Students should be prepared to learn and work (book, pencil, paper, etc.)
3. Raise your hand to speak (please do not interrupt others)
4. Short, Straight, Silent lines in the hallway always walking on the right
5. Stay in your seat to complete your work when not in group or activity
6. KHFAOOTY – Keep hands, feet, and all other object to yourself
7. Take care of our school and books!

8. Bullying is not tolerated!
9. Good Bus Behavior is mandatory. Safety is the priority of every driver.
10. Food is for the cafeteria and party days not classrooms or buses
11. Use proper respect and language at PCR3 toward all adults and students.
  - a. Please do not bring cell phones, IPODS, electronic devices, etc. to school. (These items keep students from learning and are a distraction during teaching.)
  - b. Follow the mandates for discipline set forth by the Safe Schools Act, District, State, and Federal Policies.

If a student chooses not to follow the rules, then the following consequences will occur in this order. Teachers will complete a discipline referral form, send the student to the office with the form and policy will be followed.

#### **K-4**

Verbal Warning  
 Loss of Recess (es)  
 Call Home and Loss of Recesses  
 After School Detention  
 Call Home/Swats  
 Assign ISS/OSS 1-3 Days

#### **5-8**

Verbal Warning  
 Lunch Detention  
 Loss of Privileges  
 ISS  
 OSS

All discipline referrals could be changed by the severity of the infraction, number of times previously to the office, attitude and behavior of child during conference with administrator, and if other discipline issues continue to become a problem. The following will occur: **5 office referrals** = behavior counseling with counselor and consequence for misbehavior, **5-10 office referrals** (depending upon administrator input and infraction) = lunch intervention/calling Juvenile Officer for a visit with the child and consequence for misbehavior, and at **10+ office referrals** = meeting with parents, contacting juvenile officer, alternative placement, etc. in addition to the consequences. Also, when the handbook rules are violated such as the Safe Schools, Federal Laws, State Laws, and local policies, ALL school, State, and Federal laws will be followed up to and including expulsion for 180 days. (All grade levels PreK-8).

### **BUS RULES AND REGULATIONS**

In order to provide a safe transportation system it is a necessary to have rules and regulations that promote proper behavior of students while they are being transported to and from the school and on school activities. The most effective means of discipline seems to be loss of bus riding privileges for continuous disruptions on the bus. Understanding this is a hardship for parents that only have one vehicle or work out of town, all efforts will be made to insure students maintain good bus behavior. If the driver of the bus cannot get a student to follow rules, the driver will bring the student to the office for disciplinary action.

**First Offense:** The student will be given a warning or if action is severe, a suspension of bus riding privileges will occur. Parent/legal guardian will be notified by call and/or letter.

**Second Offense:** Assigned seats and/or one to three days of suspension will occur from the bus riding privileges. Parents will be notified by letter or phone.

**Third Offense:** Three to Five days of suspension will occur from the bus riding privileges. Parents will be notified by letter or phone.

## **STUDENT DISCIPLINE**

The Board of Education has legal authority to make all needed policies, rules, and regulations for organizing and governing the school district. This includes the power to suspend or expel a student for conduct, which is prejudicial to good order and discipline in the schools or impairs safety and the morale or good conduct of the students.

These policies, rules, and regulations will apply to all students in attendance with the district instructional and support programs, as well as at school sponsored activities and events home or away.

The Superintendent is responsible for the development of rules and regulations regarding student conduct needed to maintain proper behavior in schools under their supervision. The Administrator subject to appropriate due process procedures may summarily suspend any student for up to 10 days for violation of these policies, rules, and regulations. Notice of suspension shall be given immediately to the parent/legal guardian.

Flagrant disregard for policies, rules, and regulations or truancy may result in suspension by the Administrator or long-term suspension or expulsion by the Board and are both subject to appropriate due process procedures. Expulsion of students is a function only of the Board of Education.

Teachers shall have the authority to make and enforce necessary rules for the internal governance in the classroom, subject to review by the Administrator. The Board expects each teacher to maintain a satisfactory standard of conduct in the classroom.

Any time a referral that warrants formal disciplinary action is made, a reasonable effort will be made by the Superintendent to either contact the parent/guardian by written notice delivered by the student, through the mail, or by direct phone contact.

All employees of the district shall annually receive instruction related to specific contents of the district's discipline policy. Those discussions may include any interpretations necessary to implement the provisions of the policy in the course of their duties, including but not limited to, approved methods of dealing with acts of school violence, disciplining students with disabilities, and instruction in the necessity and requirements for confidentiality.

The comprehensive discipline policy of the district is composed of this policy and all sub codes. A copy of the district's comprehensive discipline policy will be provided to every family at the beginning of each school year and will be available in the Administrator's office during normal business hours.

The Superintendent reserves the right to make modifications in the discipline policy and rules (with Board approval) at any time. This modification will be noted to the parents annually at parent-teacher conferences. The behavior modifications will be addressed with the students verbally in a meeting with administrator. All modifications will apply on and off campus and will apply to all students of the district as they are totally expected to abide by the rules and regulations of the district.

### **LIBRARY SERVICES**

The Library functions as an integral part of the total educational program at PCR3. The library supports and supplements the curriculum. Students are encouraged to use the library and to ask the library staff for assistance. The library's goal is to guide students in their choice of learning material both for personal and curricular purposes and to encourage lifelong education through the use of library resources. To reach this goal, it is imperative to maintain a quiet atmosphere conducive to studying, researching, and reading.

### **PHYSICAL EDUCATION**

All students are required to participate in physical education activities unless excused by a physician. Parents or guardians may temporarily excuse a student from participating on a daily basis. Required physical education credit must be achieved by participating appropriately in class activities and following class rules. If a student does not receive a passing grade, they may not be promoted without the state required physical education credit. Students may be required to wear proper gym shoes on the gym floor and dress out for gym class.

All students who use the PCR-3 School Internet access are expected to read the above guidelines and/or take part in a discussion of the guidelines with a teacher.

The Internet is a vast, global network, linking computers at universities, schools, laboratories, and other sites. Because of its enormous size, the educational potential is endless and due to this is easily abused. It is a joint effort of the school and parents/legal guardians of each student to educate the student about his/her responsibility when using the Internet. One of our school goals is to support students in the responsible use of this vast reservoir of information. These are guidelines that will ensure students use this valuable resource in a safe and appropriate manner.

Parents will sign the form found in the student handbook/newsletter and return to the school prior to students being allowed to use the Internet services.

### **EXPULSION OF STUDENTS**

"Expulsion" refers to permanent exclusion from school. If a student consistently refuses to conform to school policies, rules and regulations, the administrator may recommend to the Board of Education that the student be expelled from school. The board will review such recommendations and decide whether to proceed with an expulsion hearing.

Prior to enrollment, a student who is under suspension or expulsion from any other in-state or out-of-state public or private school and who is seeking admission will serve such punishment prior to enrollment. The Administrator will confer with the pupil, parent/guardian, or person acting as parent of a special education student to confirm imposition of the other school's suspension or expulsion. If the Administrator determines that such conduct would have resulted in a suspension or expulsion had the conduct been committed in district schools, the suspension or expulsion will be implemented.

No student shall be readmitted or permitted to enroll (except as required by law) following a suspension or expulsion from this district or from any school district until the district has conducted a meeting to consider possible readmission. During the meeting participants will consider the conduct which resulted in discipline and any remedial actions believed to be necessary to prevent future occurrences of similar conduct. However, no student will be readmitted or enrolled if the student was convicted of, charged as an adult or juvenile without final adjudication, or convicted of juvenile conduct which, if charged as an adult, would constitute one of the following: first or second degree murder, first degree assault, forcible rape or sodomy, robbery in the first degree, distribution of drugs to a minor, arson in the first degree, and kidnapping as a Class A felony.

Nothing in this policy shall be interpreted to prevent the district from imposing discipline under the district student code of conduct underlying the above list offenses even if the adult charge or juvenile petition has been dismissed or acquitted of the specific act in a criminal or juvenile court, provided it is proven by a preponderance of the evidence that the student committed the underlying act.

The Board of Education may originate suspension or expulsion proceedings on its own motion for student conduct which is deemed prejudicial to good order and discipline in the schools or which tends to impair the morale or good conduct of the student. However, only the board has the authority to expel a student from school.

**If a student consistently refuses to conform to school policies, rules, and or regulations, the superintendent may recommend to the Board of Education that the student be expelled. The Board will then review such recommendations and decide whether to proceed with the expulsion hearing.**

**The Board will notify in writing the charges against the student, which will be delivered by certified mail to the student, his parents/guardians, or others having custodial care. Such notification will include charges, contemplated action and time and place of such hearing on such charges and that the student, parents/guardian or others having custodial care shall have the right to attend the hearing and to be represented by counsel.**

The hearing will be in closed session unless the student, parents, or others having custodial care request an open hearing. At the hearing the Board of Education or counsel will present the charges, testimony and evidence as may be deemed necessary to support the charges. The Board will expect in each case for the administrator to be present and make oral and written reports and statements concerning the student's misconduct. The student, parents, or others having custodial care or counsel shall have the right to cross-examine witnesses presented in behalf of the charges and to present testimony in defense there against.

At the conclusion of the hearing or in an adjourned meeting, the Board of Education shall render its decision to dismiss the charges, suspend the student for a specified time, or expel the student from the district. Prompt notice of the decision shall be given to the student, parent/guardian or others having custodial care and counsel if applicable. Re-admittance of an expelled student at the beginning of a school semester may be possible only through consent of the board of education.
