

Band and Choir

Band will be starting mid-October and will be after school. I will send home more information when the time is closer.

Choir is on Thursday afternoon from 2:26-3:16. Our first performance will be for the Veteran's Day program.

Mrs. Heiby's Music Classes

Kindergarten and 1st Grade classes are learning about beats and how to pat a beat. While singing a variety of songs, these students are also learning about the different ways to use their voice: speaking, whispering, shouting, and singing. They will also be introduced to loud/quiet and fast/slow.

4th and 5th Grades are beginning to work on rhythm basics, such as different notes and rests and their values. We will soon begin working on treble clef note names. They will also begin playing recorders this fall. Watch for a note to order coming home soon.

6th, 7th, and 8th grades are also working on reading music basics. They will also be playing recorders very soon. Watch for a note about ordering recorders coming home very soon.

2nd and 3rd Grades will be working on fast and slow tempos; loud/soft; high/low melodies and showing the contour. Form will also be introduced this month. Form is the way music is arranged. These students will also begin working with rhythms, such as half notes, whole notes, quarter notes and eighth note pairs.

I am very excited to be your child's Music teacher and looking forward to a fabulous year. If you ever have any questions for me, please don't hesitate to contact me.
