Happy second quarter!

Flash cards need to be signed after 15 minutes of practice.

Conferences in a couple of weeks will be student-led. Please make sure you come to your conference time. Your student is working extremely hard on their data binders to present to you.

Thank you!!!

Your child is responsible to get their agenda signed every night. They will get 3 freebies and then they will receive a minor write-up. This will start over each quarter.

Have a weekend!!
