Language Arts/Written Expression

Review, review, review is the name of the game as we get back in the routine; everything from letter formation to writing paragraphs and the mechanics of language.

We will be doing assessments to see how many sight words we remember, STAR tests to determine reading levels and reading comprehension assessments.

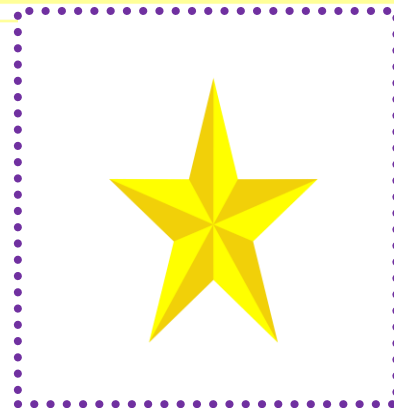

Character Trait:

Be Respectful, Be responsible, Be safe

Mathematics

We will start off with assessments to see what we remember then jump right in to our Math routine; Xtra math on Mondays for a weekly fluency assessment, rocket math for daily practice and our daily lessons.
