

CEREMONIES AND OBSERVANCES

The Board of Education recognizes the value of district-sponsored programs and ceremonies during school hours and at other appropriate times. Recognizing achievement and talent encourages further learning. District-sponsored programs, ceremonies and observances also provide an opportunity to involve the community in public education.

Religious Content in Programs and Ceremonies

The schools of the Phelps Co. R-III School District, as well as all employees of the district as governmental officials, are required by law to remain neutral and refrain from endorsing any particular religious belief. However, this policy should not be interpreted to preclude the factual and objective teaching about religions, religious holidays and religious differences.

In particular, music, art, literature and drama with religious themes and programs involving religious themes will be permitted if presented in an objective manner without sectarian indoctrination. Religious content included in any student performance or ceremony will be selected on the basis of independent educational merit.

To the extent required by law, district employees or officials shall not lead attendees of a district-sponsored event in prayer or any other religious ritual, nor shall they direct, whether implicitly or explicitly, a student to lead attendees in a prayer or any other religious ritual. However, this policy shall not be used to deny any student, employee or district official any personal legal right of expression.
