

NONEXEMPT EMPLOYEE SUPPLEMENTARY PAY PLANS
(District Does NOT Use Compensatory Time)

Definitions

Exempt Employees B Those employees whose duties and compensation meet the requirements to be an exempt executive, administrative, professional or computer employee as defined in federal law.

Hours Worked B For the purposes of this policy, hours worked means all hours during which the individual is required to be on duty generally from the required starting time to normal quitting time and all hours an employee is permitted to work, in accordance with law. Meal periods of 30 minutes or longer and break periods of 20 minutes or longer do not count as hours worked as long as the employee is relieved of all duties and is free to leave his or her duty post. Breaks for nursing mothers to express breast milk are also not considered as hours worked.

Nonexempt Employees B This includes all district employees not specifically identified as exempt under federal law. This generally includes noncertificated staff; however, in some circumstances noncertificated staff members may qualify for exempt status. The Board directs the superintendent to ensure that job positions are classified as exempt or nonexempt and that employees are made aware of these classifications. Employees in doubt about their status should contact their immediate supervisor.

Overtime Compensation

The following provisions apply to nonexempt staff who work more than 40 hours during any workweek:

1. Since the district does not use compensatory time, employees will be paid one and one-half (1½) times their regular rate of pay for each hour of overtime.
2. The Board discourages overtime work by nonexempt employees. A nonexempt employee shall not work overtime without the express approval of his or her supervisor. Nonexempt employees who begin work earlier or work later than their assigned hours without prior authorization from their immediate supervisor(s) are subject to discipline including termination.

Individuals covered by this policy are required to complete a daily time record showing actual hours worked. Failure to maintain or falsification of such records may be grounds for disciplinary action.

Critical

Required Breaks

In accordance with law, the district will provide a reasonable break time for an employee to express milk for her nursing child each time the employee has a need to express for one (1) year after the child's birth. The district will provide a location, other than a bathroom, that is shielded from view and free from intrusion from coworkers and the public that employees may use to express milk.
